## Job Opportunity - Landscape Field Technician

**At Muskoka Landscapers, our mission is to create beautiful, functional outdoor spaces that enhance our clients' lives. We invest in our employees by offering top wages, growth opportunities, and ongoing training. Our focus on safety and a supportive work environment helps them succeed and reach their full potential, fostering a culture of professionalism and excellence.**

### Job Summary:

This job involves working as part of a landscape team on tasks like flagstone cutting, granite stair tread installation, and planting bed installation. The ideal candidate enjoys working outdoors with a creative, supportive team. Responsibilities include operating equipment (e.g., stone saws, skid steers), assisting with garden installations, and maintaining a safe, organized worksite. Training will be provided, with opportunities for career growth. Candidates should focus on quality, efficiency, and a willingness to learn and improve.

### Reports to: Site Manager

Compensation: \$27/h starting wage

\$250 annual spending for work boots (all other PPE supplied)

**Responsibilities and Abilities:**

- Follow all health and safety regulations including use of personal protective gear.
- Assist with keeping a clean and organized work site.
- Knowledge of sports, beer, and food is a well-respected asset.
- Physical transportation of materials with wheelbarrows, carts, and hand lifting.
- Contribute and be open to ideas on how to complete tasks more efficiently.
- To be punctual, reliable, and co-operative.
- Toronto Maple Leafs fan may or may not be an asset (depending on the season)

**First year training to include, but not limited to:**

- Safe operation of power tools such as: Quick Cut, Plate Tamper, and SDS Drill.
- Safe operation of skid steers.
- Safely working alongside excavation equipment.
- Safe hoisting and operation of vacuum lifting equipment.
- Base compaction techniques for typical hardscape installs.
- Stone installation techniques for landscape features.

**Your interest and the ability to fit within in our culture is just as important to us as the experience you are bringing to our company. If you think you fit the bill, we would love to hear from you!**

“To apply, please send a resume and cover letter to Lane Charlton at [lane@muskokalandscapers.ca](mailto:lane@muskokalandscapers.ca).”
